## Collagen Stimulators

Sculptra® – A collagen stimulating injectable that gradually restores volume, smooths texture, and firms the skin. Minimum of 2 treatments recommended.

Profhilo® – A collagen-boosting hydrator that firms, smooths, & deeply moisturises using unique slow-release technology - for naturally refreshed, glowing skin.  
Minimum 2 treatments.

Radiesse® – A unique biostimulatory treatment that instantly restores volume while stimulating collagen production for long-lasting, natural rejuvenation & firmer, more youthful skin.

PRP Therapy (Platelet-Rich Plasma) - A natural treatment using your body's own growth factors to rejuvenate skin & restore hair.

From \$399 (pack of 3 from \$999)

Skin Boosters – Replenishes moisture, stimulates collagen & leaves your skin plump, smooth & glowing from within.  
- \$550

NCTF® – A potent skin booster with 60 revitalizing ingredients to deeply hydrate and restore a healthy, youthful glow.  
- \$359

AquaGold® – The ultimate luxury micro-infusion facial. AquaGold® delivers a custom cocktail of skin-loving ingredients - a sprinkle of anti-wrinkle, hyaluronic acid, vitamins, and peptides - directly into the skin through 24-karat gold microchannels. This pain-free, no-downtime treatment refines pores, smooths fine lines, enhances hydration, and gives the skin a radiant, airbrushed glow. Perfect before special events or as part of a regular skin maintenance routine.  
- \$650

Exosomes Scalp Regrowth - \$559 (pack of 3 \$1399)

### SQT Bio-Needling®

Harnesses over 3 million natural Spicules® - Microscopic marine-derived needles gently stimulate skin regeneration & accelerate renewal. Within 7 days, the skin's natural healing process is activated, promoting collagen production, refining texture, & revealing a smoother, clearer, more luminous complexion. A powerful, natural alternative to traditional micro-needling - \$379

### Dermaplaning

A gentle exfoliation treatment that removes dead skin cells & fine vellus hair, revealing a smoother, brighter & more radiant complexion. Face & neck inc. - \$129

### Dermaplaning Deluxe

Add Jelly Mask & 15 minute LED - \$169

### Dermalux Flex®

The world's strongest portable LED therapy, designed to accelerate skin healing, reduce inflammation & stimulate collagen production for a clearer, rejuvenated complexion.

30 minutes - \$80 (pack of 3 \$180)

Add on 15 minutes to any treatment - \$49

### Synergie Skin Chemical Peels/Facials

Standard Peel, face & neck & 15 minutes LED - \$129

Advanced Peel, face & neck & 15 minutes LED - \$169

### IPL - Intense Pulse Light

IPL Photo-rejuvenation face/neck/decolletage - \$400

IPL Acne - from \$60

IPL Vascular - from \$60

IPL Pigmentation Correction - from \$60

### Circadia Facials

Advanced skincare treatments that combine cutting-edge technology with high-performance ingredients to target skin concerns, improve texture & restore a glowing, youthful complexion.

### Circadia Enzyme Facial

A gentle, yet effective treatment that uses natural enzymes to exfoliate, brighten, & hydrate the skin, leaving it smooth, refreshed & rejuvenated. - 45 mins - \$199

### Circadia Oxygen Rx Facial

A revitalizing treatment that delivers oxygen directly to the skin, improving circulation, reducing redness & enhancing skin tone for a fresh, luminous glow  
1 hour - \$249

### Circadia C202 Facial

A targeted treatment that combines vitamin C & antioxidants to brighten, firm & protect the skin, reducing signs of aging while promoting a more radiant, youthful complexion - 1 hour - \$249

### Circadia Firming Peptide Facial

A rejuvenating treatment that uses powerful peptides to stimulate collagen production, improve skin elasticity & tighten the skin, leaving it firm, lifted & visibly smoother  
75 mins - \$299

### Circadia Luxe Lift Facial

A luxurious, anti-aging treatment that combines advanced ingredients & techniques to firm, tighten & contour the skin, delivering a visibly lifted & radiant complexion  
90 mins - \$379

### Circadia SWiCH™ Facial

'Awaken your skin's natural energy'.

The Circadia SWiCH™ Treatment works within the skin to boost cellular energy & renewal - without the downtime of a peel. This advanced facial restores luminosity, smooths fine lines & improves tone & firmness for radiant, rejuvenated skin from the inside out. Perfect for ageing, dull, or tired skin.

45 mins - \$275

### Laser Tattoo Removal

Our advanced laser technology targets tattoo ink beneath the skin's surface, breaking pigment into tiny particles that are naturally cleared by the body. Each session lightens the tattoo gradually, with multiple treatments required for full removal - from \$100 (pack of 6 from \$500)

### Carbon Facial 'China Doll'

Deeply cleanse, exfoliate & rejuvenate with a carbon mask laser. Removes impurities, unclogs pores & refines texture for instantly brighter, smoother, radiant skin. Face & neck inc - \$379

### Body Sculpting - from \$160

A non-invasive contouring treatment designed to reduce fat, tighten skin & enhance muscle definition for a more sculpted, toned physique.

### RF Skin Tightening - Face & Body - from \$80

A non-invasive treatment that uses radiofrequency energy to stimulate collagen production, firm loose skin & improve elasticity for a smoother, more youthful appearance.
